Data

**SUMMARY**

More than 60% of surveillance cameras are domes. Rain and dirt can affect visibility and compromise image quality. Cleaning the dome after installation is usually impractical and time consuming.

Grundig's Rain-Wash dome coating is water repellent, so rain and dirt simply run off. It also prevents the dome from steaming up, even in damp environments.

Next to the rainwasher coating Grundig bubbles are IK 10 certified and help to reduce IR reflections for amazing images day and night.

The bubbles are available as accessory for multiple vandal dome camera models.

**SPECIFICATIONS**

Suitable for	GCA-B4323V, GCA-B4325V, GCA-B4326V, GCA-B4327V, GCA-B5325V, GCA-B5326V, GCA-C2357V, GCA-H0325V, GCH-K0323V, GCH-K0326V, GCH-K1325V, GCH-K1327V
Material	Polycarbonate
Weight	0.05 kg
Dimensions w*h*d	Ø 110 x 65 mm
